SPEAKER PROPOSAL INFORMATION

COMDEX Scandinavia Conference

The COMDEX Scandinavia Conference is the most important educational IT conference – top of the line – that has ever taken place in the Scandinavian countries. I453 delegates visited last years conference and 2226 visited the COMDEX Keynotes. Next years conference will explore and discuss highly topical subject areas and the latest news. COMDEX Scandinavia Conference enables a deeper knowledge and perspective on complex technologies and issues. The qualified buyers get the know-how, strategy and tools they need to evaluate what they find on the expo floor.

PURPOSE

The conference program is suited to meet the need of information that decision-makers and professionals have in the Nordic market within the IT business. To hold a speech at COMDEX Nordic 2002 is a great opportunity to contribute to the increasing development of today's IT world.

GUIDELINES

The conferences are half day or full day conferences each sponsored by a host. Each speech should be estimated to last 30-35 minutes. (No fee is offered). Keep in mind our conferences are not a forum to sell products and services. Presentations should be issue-oriented and/or technology/educationally oriented and must NOT highlight an individual vendor or product. Exponova will not cover expenses like travelling costs, hotel, food etc.
