Business Matching and Networking Opportunities

The Summit offers excellent business matching services and networking opportunities for the local ICT corporations to meet with the representatives of the Eminent Experts, Awardees, and Nominees of the United Nations' World Summit Award (www.wsis-wsa.org) who will attend the Summit and look for partners for their Asia or China market. Interested parties please contact Ms. Anita Fong by phone (2823-1291) or by email (anita@chamber.org.hk).

Sponsorship Opportunities

As a sponsor to the Global ICT Summit, you can take advantage of this excellent opportunity to lend your support to the development of a digital world while enhancing brand recognition and corporate awareness through the associated publicity campaign. Should you choose to become a Major or Diamond sponsor, you will be offered speaking opportunities as well. Interested parties please contact Ms. Anita Fong by phone (2823-1291) or by email (anita@chamber.org.hk).
